SIR,

I write to state that one Sri V R Amruthalingam was appointed as a Driver in the Health Department of the Corporation on 13-11-48, on 20-9-1945 and his Service Register was opened, the date of birth of the Driver was not noted but against this column, it was noted as "40 years" Subsequently, an entry has been made in different ink as "1900" and taking this as the year of birth, and according to M S R , his date of birth was taken as 1-7-1900 and he was given notice of retirment that he would be retiring on 1-7-1955.

On this, the Driver produced a sworn declaration by his mother before the Additional I Class Magistrate stating that he was born in Arcot on 14-1-1905 according to the original Horoscope written at the time of namakaranam (enclosed in the file). Since the figure '1900' in the Service Register was not attested by any Officer, I accepted the age declaration given by the mother and ordered that the date of birth of the driver may be noted as 14-1-1905 in the Service Register, and also ordered that the driver who had been relieved of his duties on 1-7-1955 may be taken back to duty and the period of his absence be treated as leave to which he was entitled under the powers vested in me as Head of the Department, as per "Decentralisation of powers" - Govt Order No C S.18629-18728/C B 29-50-3 dated 28-3-1951 But, when the bill for the leave allowances of the driver were sent to the auditor, he has returned the same stating that sanction of Government was

P.T O

was necessary for the alteration of the date of birth as it involved a period of more than one year

In the circumstances, I request that sanction of Government may be obtained for the acceptance of the date of birth of the driver as 14-1-1905 as declared to by the Mother before the Magistrate on 29-6-1955 -----

The entire file with the Service Register accompanies

Yours faithfully,

(V P DEENADAYALU NAIDU)
MAYOR.
